INSIGHT

New regulatory requirements

The recent evaluation of South Africa by the Financial Task Force (FATF) and the subsequent grey-listing of South Africa on the 24th of February 2023 - for various deficiencies, linked to poor money laundering controls - have led to various legislative changes.

How does this affect you?

SEASONAL NEWS

Staff Team Building

We had a Staff Team Building Function on the 19th of April at Pine Lake Marina. Sometimes one just needs to step away from the desk and get some sun, fun and laughter! After breakfast, the Bookkeeping Department dominated in the tenpin bowling championship. Then we all got wet on the paddle boats and in the end, Pierre was even able to put his golfing skills to the test in the putt-putt challenge. Luckily no serious injuries sustained...
